

The Milan Police Department has a new emergency alert system. You can register free of charge and get emergency notifications directly from Milan PD. All you have to do is text to 888777 and put Milanpd in the body of the message. You should get a text back letting you know you have been registered. You can also sign up and receive email alerts by going to [nixel.com](http://nixel.com). You will get text messages about weather alerts, road closures, amber alerts and other events that affect the Milan area.
